Energy bill is a "piñata of perks for energy industries."

Barack Obama voted with the Bush/Cheney Administration and the special interests to give billions of dollars to energy companies.²

Energy Companies Got Billions...

- 1 **\$6 BILLION** in subsidies to the oil and gas industry.³
- 2 **\$9 BILLION** in subsidies to the coal industry.⁴
- 3 **\$12 BILLION** in subsidies to the nuclear power industry.⁵

American Families Got Cheated...

- 1 Skyrocketing utility rates.
- 2 **THE HIGHEST GASOLINE PRICES EVER.**
- 3 Continued and growing dependence on foreign oil.
